**PROCEEDING**

**Ruling on Submitted Matter—Order re Sealing Motions under Penal Code section 995**

The Court having considered the submitted matter, rules as follows:

The Court has granted ex parte applications from defendants Wessman and Pougnat to file motions under *California Penal Code* section 995 concerning the indictment in this matter. (Formal orders on the ex parte applications were signed on November 13, 2019.) The basis of the ex parte applications was that the motions contain quotations from and references to grand jury testimony that is now under seal. The Court reserves jurisdiction to unseal the motions or part thereof after ruling on the motion to seal the grand jury transcript that is the subject of a separate motion scheduled for hearing on January 17, 2020.

Clerk to give notice to all parties.
